PRESIDENT'S MESSAGE

by Frank Ferreyra

I want to welcome you all back from a wonderful summer and we must now look to the upcoming holidays. Yes, it is hard to believe that another year is rapidly coming to a close; Thanksgiving is but a few weeks away and then the holidays for many faiths. I for one enjoy the holidays and look forward to seeing old friends and making new ones.

I am looking forward to seeing many of you at the Holiday Party at TD's New Yorker. I ask for those of you attending to bring an unwrapped toy for a boy or girl, the toys will be given to needy families, I want to thank you in advance, last year we distributed over 100 toys.

In closing, I would like to thank the members of the executive board for all they do to make this lodge one of the best in the state, and to offer a prayer for the safety of all our active and retired law enforcement officers and troops overseas.

SECRETARY'S REPORT

by Henry E. Leshnower

For those who got their dues in on time, prior to October 31, I want to thank you. It makes my job a lot easier getting renewal in early rather than hundreds the last minute. Well, the list of new members and those who renewed and I received dues from, your name has been submitted to the State Lodge. For those who are still debating as to when you should send in your dues, well it's never too late to rejoin. I will be sending in a list of late and new members to the State Lodge at the beginning of December. Of course, you will not get your FOP card until sometime in February when the second batch is mailed out.

For those members who aren't sure when or if they paid their dues, the answer is simple. Look at the mailing label and the answer is there. You will see to the right of your name a number or Auxil or Assoc and then 2008: with either a date or NOT PAID. If there is a date, that is when I received your dues. If it says, NOT PAID, this means I haven't received your dues as of the date the newsletter was mailed. My only suggestion is mail in your dues immediately. As to someone asking why do I need to fill in the renewal form each year, there are 2 reasons. The first is in February, I shred the forms from last year. The second reason is to keep current with all the changes in our members social condition and family status, so we need a current form with the information.

INSURANCE BENEFIT:

Don't forget to list the name of a beneficiary and not estate. If you list estate or no name, if you get any death benefit the money will end up going to pay off some bill like a credit card or even a medical bill instead of going to a loved one. I have seen this happen and the family needed the money.

BLUE LIGHT:

As we enter the holiday season, remember to display a BLUE LIGHT in the front of your home. The meaning is to recognize and honor those officers who have made the supreme sacrifice, those officers who are disabled and to show your appreciation to the officers still serving.

If you can, get the rest of your family and friends to do the same thing. Just imagine driving down the street and seeing a BLUE LIGHT displayed in the front of every home or even several BLUE LIGHTS in an apartment building.
